The UA Children’s Program and RISE Center
Emergency Campus Evacuation Plan
Parent Permission Form

In the case of an emergency evacuation of the University of Alabama campus and assuming the conditions are appropriate, the UA Children’s Program and The RISE School, would follow the direction of the UA Emergency Preparedness team to evacuate to one of three previously identified sites. Depending on the nature of the threat, UA would advise the programs on the safest route and destination. Please sign the form giving your permission for us to evacuate your child to the chosen designation. Parents will be notified at once of an evacuation and asked to come immediately to the site identified to pick up your child / children. The possible evacuation sites, along with driving instructions from the schools, are listed below.
